ORIGINAL FICTIONAL SPECIFICATION / V2

DEMO-A: laptop commute

authored-v2 / new synthetic values: 13 October 2026

01 PROVENANCE

This authored fictional source describes DEMO-A for a comparison exercise. Revision v2 adds capacity and laptop-limit values; it is not a real manufacturer specification or a device test.

02 RECORDED SPECIFICATIONS

Listed capacity: 18 L

Laptop limit: up to 14 inches

Pocket count: 2

03 NOT SUPPLIED

Waterproof certification is not provided. No included rain cover is specified in this sheet; do not infer that one is included or absent.

04 BUYER INTERPRETATION

For a buyer with a 14-inch laptop, this sheet states the relevant size limit. Capacity and pocket count are separate from laptop compatibility and weather certification.

Authored example. Not a real product or Hermes session result.
